## CENTURY of ENLIGHTENMENT

We create conditions for a comfortable stay for foreign students in Russia.

# EDUCATION INVESTMENTS ARE NEVER IN VAIN

We are the leaders in Russia to provide educational services for foreign students.

For more than 10 years, we have been creating comfortable conditions to live and study in Russia.

More than 1 000 families have entrusted their children's most valuable things to us. We provide our clients with all necessary information about studying and living in Russia and create comfortable living and study conditions for students and their families.

Our unique experience and the best partnerships in Russia guarantee you with safe, comfortable and fully equipped integration into Russia, to start with getting visa and transfer to Russia to a personal tutor for students.

### CENTURY of ENLIGHTENMENT

Where to get higher education in Russia?

We help to choose a better university to study according to your personal educational pattern.

Collect all necessary documents, certificates, and tests.

Do all the process of application.

Visa support, registration, medical insurance.

We will help to get:

- visa
- medical insurance
- registration.

Where to stay?

We have a better choice of comfortable accommodation for students, according to their preferences, religion and capabilities.

We provide accommodation for families or accompanying persons.

Student support service.

In order to provide social and psychological assistance to international students, we will provide a personal assistant, who is also in touch with the student's family.

Social and cultural integration.

Our students are more quickly integrated into a new social environment via participation in cultural events, sports competitions, excursions and interest communities.

We offer our students a visiting program "weekend Russian family " to spend time with hosting Russian families and thus being involved into Russian household.
